<i>Regional FFA Meeting</i>	<i>Feb. 28th</i>

On January 7th and 8th the Chapter Officer met at 8:30 at Strathmore High School to rebuild teamwork and leadership skills and to come up with new ideas for the 2nd semester. We had two very productive days coming up with new activities to share with the chapter, revisited and revised our chapter goals, and worked on completing the National Chapter Award Application for our chapter. On the second day, we took a break from all the work to enjoy a day of playing in the snow where we shared some bumps, bruises, and fun! Overall, it was a very fun, busy, and successful two days!

-Tim Braziel (Chapter Treasurer)

January FFA Meeting

On January 26th there was an FFA meeting, we had a business meeting led by the officers, they talked about the up coming events and past events, followed by the pledge, after that we got into two teams, one red team and one white team, the point of the game was which team ended up with balloons when the other didn't, but the objective was to pop all the other teams balloons, which were filled with candy. I was on the white team, but we lost, but I got a lot of candy. After the balloon fight we cleaned up our mess, and went inside to get inline for nachos and a juice it was a really fun meeting and I am glad I went and I am glad I went. I hope to go to another.

-Vanessa Chapa (9th Grade, E.A.T. Pathway)

Strathmore FFA Boosters Annual Drive-Thru Dinner

The Annual Strathmore FFA Booster's Drive-Thru Dinner will be held on February 26th from 4:00pm to 6:00pm in the Strathmore Agriculture Parking Lot. Tickets are \$10 per meal and all proceeds go to supporting FFA student scholarships and FFA activities. If you are interested in buying or selling tickets, or helping out with the event, please contact one of the Ag Teachers! We look forward to seeing you there!
